PROFESSIONAL SUMMARY

Primary school teacher (grades 1-3) with a Bachelor's degree in Classroom Teaching from the International Islamic Sciences University (2024, Very Good GPA). During my training at Al-Sawa'ed School, I started a peer-learning activity where students took turns acting as the teacher - the first time this was tried at the school, and it worked really well with the kids. I hold certificates in Microsoft Office and Active Learning, and I'm comfortable with public speaking, electronic typing, and drawing. I enjoy working with young students and connecting with them, and I speak English fluently. I've also volunteered at a summer camp for orphans.

CORE SKILLS

Electronic Typing • Public Speaking • Pencil & Color Drawing • Effective Communication with Young Students

PROFESSIONAL EXPERIENCE

Al-Sawa'ed School Trainee Teacher | September 2025 - January 2026

- Worked with a group of students and had them take on the role of student-teacher; was the first to introduce this approach at the school.
