

DALAL NASAB

Student Interested in Information Systems & Digital Transformation | Digital Projects & Custom Printing

Jordan | 0791314244 | dalalnasab6@gmail.com | LinkedIn: linkedin.com/in/dalal-nasab-44a5ab388

PROFESSIONAL SUMMARY

Ambitious student interested in Information Systems and digital transformation, with practical experience in a custom printing project covering design, mug and T-shirt printing, printer operation, and heat/press settings. Experienced in creating a WordPress-based online store and managing a social media page for the project. Strong foundation in volunteering, digital skills, organization, teamwork, and continuous learning.

EDUCATION

General Secondary Education Certificate – Scientific Stream | Jordanian Curriculum

PROJECT & PRACTICAL EXPERIENCE

Custom Printing & Personalized Products Project | Independent Practical Project

- Designed and prepared custom artwork for printing using Canva and developed basic Photoshop skills.
- Performed practical sublimation printing on mugs and T-shirts and worked with heat/press settings, including temperature and pressing time.
- Built an online store for the project using WordPress and managed website content.
- Created and managed a social media page for the project.

VOLUNTEER EXPERIENCE

- Ghaith Al Amal Volunteer Team – Participated in community service initiatives and teamwork activities.
- Ikssab Center for Sustainable Development – Supported community activities and social initiatives.
- Environmental Volunteer – Participated in tree-planting campaigns and environmental awareness activities.
