Profile

I hold a Bachelor's degree in Chemistry from Al al-Bayt University and have diverse experience in education, data entry, community mobilization, and facilitating sessions with several local and international organizations. I possess strong communication and fieldwork skills, along with experience in digital marketing, social media management, and geographic information systems (GIS). I am committed to continuous professional development and actively contributing to community service within a supportive work environment.

Education

Bachelor's Degree of Chemistry

Al Albayt University, 2019
